

Section 400 – Personnel
Family and Medical Leave
Family and Medical Leave Policy

416.01

Family and medical leaves shall be allowed under the terms and conditions of the Family and Medical Leave Act of 1993 (FMLA) as amended.

The “leave year” for purposes of the FMLA shall be a “rolling” twelve-month period, measured backward from the date of any FMLA leave usage.

Substitution of accrued paid leaves for otherwise unpaid FMLA leaves may be required in the discretion of the Superintendent or the Superintendent's designee, or the Board. The employee may also have paid leave run concurrently with unpaid FMLA leave entitlement, provided the employee meets applicable requirements of the leave policy.

Employees shall be required to submit medical certifications to support a request for FMLA leave because of a serious health condition, or a sick leave, when such leave is for the duration in excess of five (5) successive days, and in such other cases as deemed appropriate by the Superintendent or the Board based on the nature of the illness or other circumstances surrounding the leave. Second and third medical opinions may, in the Superintendent or the Board's discretion, be required. Employees shall be required to report periodically, at such times as requested by the Superintendent or the Board, on their intent to return to work from FMLA leaves and other leaves. Employees shall be required to submit a fitness-for-duty certification from their health care provider as a condition of returning to work from a FMLA leave taken because of the employee's serious health condition, or from a sick leave taken by reason of the employee's illness, when such leave was of a duration in excess of five (5) successive days, and upon request of the Superintendent or the Board when such is deemed appropriate by the Superintendent or the Board based upon the nature of the illness or other circumstances surrounding the leave.

An “equivalent position” for FMLA restoration purposes shall, in the case of certificated employees, be any administrative, teaching or instruction related position for which the employee is qualified by reason of endorsement, college preparation, or experience, or other extracurricular duty assignment, and in the case of other employees or positions, be in a position with or at equivalent pay, benefits, and working conditions, involving similar or related duties, as determined by the Superintendent or the Board.
