Student Fees

504.19

The Board of Education acknowledges that the Public Elementary and Secondary Student Fee Authorization Act authorizes school districts to charge student fees for certain student activities and requires the district to adopt a policy addressing student fees. Further, the board recognizes the fact that there are expenses relating to educational and extracurricular programs and activities that may require financial participation by students and their parents or guardians. In order to provide the district's students and their parents or guardians with guidance regarding the district's position on student fees, the Board of Education enacts the following Student Fee Policy. It is the intent of the board to provide equal access for students to all programs while complying with the laws of Nebraska and the rules and regulations of the Nebraska Department of Education.

A. DEFINITIONS.

1. Extracurricular activities means student activities or organizations which are supervised or administered by the school district, which do not count toward graduation or advancement between grades, and in which participation is not otherwise required by the school district;
2. Postsecondary education costs means tuition and other fees associated with obtaining credit from a postsecondary educational institution. For a course in which students receive high school credit and for which they may also choose to apply for postsecondary education credit, the course shall be offered without charge for tuition, transportation, books, or other fees, except that if the student chooses to apply for postsecondary education credit, he or she may be charged tuition and other fees only associated with obtaining credits from a postsecondary educational institution.

B. FEES AUTHORIZED. Except as provided otherwise herein, the district may require and collect fees or other funds from or on behalf of students or require students to provide specialized equipment or specialized attire for any of the following purposes:

1. Participation in extracurricular activities;
2. Admission fees and transportation charges for spectators attending extracurricular activities;
3. Postsecondary education costs;
4. Transportation pursuant to Neb. Rev. Stat. §79-241, 79-605, and 79-611.
5. Copies of student files or records pursuant to Neb. Rev. Stat. §79-2,104;
6. Reimbursement to the district for school property lost or damaged by the student;
7. Before-and-after-school or pre-kindergarten services offered pursuant to Neb. Rev. Stat. §79-104;
8. Summer school or night school;
9. Breakfast and lunch programs;
10. Any other fee authorized by law.

The Public Elementary and Secondary Student Fee Authorization Act does not limit the ability of a governing body to request donations of money, materials, equipment, or attire to defray costs if the request is made in such a way that it is clear that the request is not a requirement. The act does not prohibit a governing body from permitting students to supply materials for course projects.

- C. PERSONAL OR CONSUMABLE ITEMS. The district may require students to furnish minor personal or minor consumable items for participation in extracurricular activities.
- D. NON-SPECIALIZED ATTIRE (CLOTHING). Students may be required to furnish and wear non-specialized attire for specified courses and activities.
- E. COURSE PROJECT MATERIALS. Students may be required to furnish materials for course projects that become the property of the students upon completion.
- F. MUSICAL INSTRUMENTS AND ACTIVITIES. Students may be required to furnish musical instruments for participation in optional music courses that are not extracurricular activities except that musical instruments shall be provided without charge for any student who qualifies for free or reduced-price lunches under United States Department of Agriculture child nutrition programs. The district shall not be obligated to provide a particular type of musical instrument for any student.
- G. EXTRACURRICULAR ACTIVITIES/FIELD TRIPS. Students may be required to furnish footwear, field trip fees, and other minor personal and consumable items.
- H. TRANSPORTATION COSTS. Students may be required to pay transportation costs to attend extracurricular activities.
- I. SCHOOL STORE. The district may operate a school store in which students may purchase food, beverages, and personal or consumable items. Said purchases shall not be subject to any fee waiver.
- J. STUDENT RECORD COPY CHARGES. No fee shall be charged to students, their parent(s) and/or their guardian(s) for one copy of a student's files or records.
- K. SUMMER AND NIGHT SCHOOL. Fees may be required for participation in summer or night school.
- L. BREAKFAST AND LUNCH PROGRAM. The district offers lunches that qualify as approved meals pursuant to the federal government guidelines.
- M. OTHER ITEMS. Yearbooks, class rings, letter jackets, and similar items are sold as a convenience to students and are not fees and are not covered by this policy. Fines for overdue library books, abuse of school parking privileges, and other school rules,

regulations, and policies developed for the safe and efficient operation of the school are not student fees.

- N. PUBLIC HEARING. On or before August 1, 2002, and annually each year thereafter, the school board shall hold a public hearing at a regular or special meeting of the board on a proposed student fee policy, following a review of the amount of money collected from students pursuant to, and the use of waivers provided in, the student fee policy for the prior school year. The student fee policy shall be adopted by a majority vote of the school board and shall be published in the student handbook. The board shall provide a copy of the student handbook to every student, or to every household in which at least one student resides, at no cost to the student or household.
- O. STUDENT FEE FUND. The district hereby establishes a separate student fee fund not funded by tax revenue, into which all money collected from students pursuant to the Public Elementary and Secondary Student Fee Authorization Act shall be deposited and from which money shall be expended for the purposes for which it was collected from students. Fees collected from another school district's students shall be accounted for in the general fund.
- P. FEE WAIVER. Any fees to be charged or materials to be provided for the following may be waived for students who qualify for free or reduced-prices lunches under United States Department of Agriculture child nutrition programs:

 2. Specialized equipment or specialized attire for participation in extracurricular activities;
 3. "Course Project Materials" as provided in paragraph E;
 4. Musical instruments both for participation in optional music courses that are not extracurricular activities and for participation in extracurricular activities.

Other student fees may also be waived at the discretion of the Superintendent or his or her designee for students who qualify for free or reduced-priced lunches under United States Department of Agriculture child nutrition programs.

- Q. PENALTIES. Students who fail to pay overdue student fees may be subject to administrative penalties including but not limited to exclusion from graduation and commencement ceremonies or related activities, exclusion from prom, withholding of the yearbook or annual, etc. Students shall not be denied a diploma, transcript, or credit for course work completed for failure to pay student fees.
- R. FUND-RAISING. Students may be required to partake in fund-raising activities in order to participate in extracurricular activities. If fund-raising is required for a particular extracurricular activity, any student participating in said activity shall be expected and required to participate in equally and share equally in whatever funds are raised.
