

Section 600 – Instruction
Academic Achievement
Parent Conferences

File: 611.04

It is recommended that two parent-teacher conferences or acceptable substitutes, be held in both the elementary and junior-senior high schools each year.

Parents, teachers, or principals may request a conference for students in grades kindergarten through twelve in addition to the scheduled conference time. Parents and students are encouraged to discuss the student's progress or other matters with the student's teacher.
