The **regular** meeting of the O'Neill Public School Board of Education was called to order by President Jim Gotschall at 7:30 p.m., on Monday, May 11, 2015 in the meeting room at 410 East Benton, O'Neill, Nebraska. This meeting was advertised in the Holt County Independent on April 30, 2015, over KBRX Radio and posted at the school buildings and the O'Neill Post Office.

Board Secretary Kathy Marvin called the roll with Delight Becker, Ellen Boshart, Jim Gotschall, Amy Rowse, Jim Sibbel, and Tom Stepp present.

Administrators Amy Shane, Corey Fisher, Dan Woodle, and Kathy Grossnicklaus were present. Steve Brown, Building and Grounds Director, was also present.

Visitors were welcomed and informed that this meeting was in compliance with the Nebraska Open Meetings Act.

The Pledge of Allegiance was recited.

Amy Rowse **moved, to approve the meeting agenda.** Delight Becker **seconded** the motion. Roll call vote **carried** 6-0. Voting Aye: Boshart, Gotschall, Rowse, Sibbel, Stepp, and Becker.

Ellen Boshart **moved, to approve the minutes of the April 13, 2015 regular meeting as printed, without reading.** Amy Rowse **seconded** the motion. Roll call vote **carried** 6-0. Voting Aye: Gotschall, Rowse, Sibbel, Stepp, Becker, and Boshart.

**Policy #502.02 – Nonresident Students/Option Enrollment**

Ellen Boshart **moved, to adopt the following resolution in regards to Policy #502.02 – Nonresident Students/Option Enrollment.** Jim Sibbel seconded the motion. Roll call vote **carried** 6-0. Voting Aye: Rowse, Sibbel, Stepp, Becker, Boshart, and Gotschall.

WHEREAS, the O'Neill Public Schools is committed to providing an education of high quality to its students in an economically efficient manner; and

WHEREAS, the school district's faculty, facilities and equipment can serve only a limited number of students effectively; and

WHEREAS, the O'Neill Public Schools Board of Education, in consultation with the administration, has reviewed the school district's faculty, facilities, equipment, interdisciplinary efforts and interrelationships of grades, subjects, and faculty; and has determined the maximum number of students it can serve effectively at any given grade level and in total;

NOW, THEREFORE BE IT RESOLVED that the capacity in the following grade levels, programs and for the entire school district is as follows:

- Each grade level below kindergarten: 40 students
- Each grade level in grades kindergarten through 2: 66 students
- Each grade level in grades 3 through 6: 72 students
- Each grade level in grades 7 through 12: 78 students
- Students in special education programs requiring specific academic and behavioral support: 160 students
- Other: Students requiring the district to hire additional staff.

Total enrollment for the school district: 994 students.

The board of education will decline any request for option enrollment if granting the request would cause the district to exceed its capacity at any grade level or for the total enrollment for the school district.

Having been consented to by a majority of the voting members, the board president declared the motion to have been passed and adopted.

#### **CTE Department Presentation**

Junior-Senior High School CTE teachers, Mr. James Burtwistle and Mr. Allen Spangler shared with the board the current happenings in their department. Mr. Burtwistle shared several project photos with the board describing and documenting the lessons being taught. Mr. Spangler shared information regarding the courses he teaches and the success of his students. No action necessary.

June 10, 2015

Hello,

Well the lazy days of summer have begun...but not in our office or our school buildings! June 15<sup>th</sup> is the deadline for many of the reports required by the Nebraska Department of Education, so my office is working hard to complete and upload these collections. In the midst of this busyness, Chris, Kathy and I all have children getting married during the month of June! The school buildings are bustling too! The High School has Drivers' Ed, summer basketball camps, summer band lessons, summer school (both credit recovery and migrant) and any of a number of meetings (truancy prevention, curriculum, etc.) going on. The Elementary Building is also busy with summer Developing Eagles drawing between 50 and 70 students each day and summer school going on most days. Migrant summer school will also take place at the elementary school in July. Funding for these programs come from a variety of grants with support from the general fund as well.

We have received word that our early childhood continuation grant has increased from \$12,403 last year to \$32,383 for 2015-16...great news! This is the allocation that supports our current pre-school group. Our early childhood expansion grants have also been recommended for funding, which will support our new section and the transition to the elementary school with \$85,000! Apparently the state is smiling on us this month, as they have also recommended funding for our ReVISION grant of \$40,496 which will support our continued efforts in the area of career and technical education. Thus far this year, we have written and received over \$300,000 in competitive grants! We have also received generous grants from businesses such as Cargill in support of our Robotics program and our agricultural education program! Nicole Sedlacek also wrote a grant which provided two college interns to work with our school on our career and technical education program. They have already begun work on this along with Cole Hilker and Mr. Fisher.

The Nebraska Department of Education has asked me to chair the school improvement visit at Crofton this year. I will be putting a team of educators together to spend a day or two at their school reviewing their progress toward

*The Mission of the O'Neill Public Schools is to provide engaging learning experiences in a safe and respectful environment where all students are expected to develop the skills and knowledge necessary to be independent, collaborative, and productive citizens of an ever-changing world.*

achieving their mission and student achievement goals. I will plan with their administration for a date that works well for both their district and the team.

I attended the School Law seminar on June 5<sup>th</sup> in Kearney. This is always a good opportunity to hear what new laws have been passed during the past session that will impact our schools. I will also be attending the final meeting of the Safety and Security Standards setting process for the state next week. Mr. Brown attended four days of development meetings for these standards. I want to thank him for his hard work on this.

Marcia Herring with the School Board's Association has contacted me about possibly participating in their Community Engagement Program. NET (Nebraska Educational Television) has asked them to work on a program with them where they follow a variety of different sized school districts throughout the state as they engage with their communities. This may be a good fit for our community discussions about our facility goals. Typically NASB charges \$1,500 for their service, but if selected for the NET project that would be reduced to \$750. We may have more information by the board retreat next month.

See you Monday night,

Amy

## **JUNE AGENDA ITEMS**

**9-A – POLICY #503.03 – STUDENT ABSENCES – EXCUSED** – This is the second reading of this policy, which is currently out of synch with our activities handbook. The redline change to the policy would put it into agreement with the current activities handbook. Mr. Hostert will be on hand to answer any questions you might have.

**RECOMMENDED ACTION:**

Motion to adopt Policy #503.03 – Student Absences – Excused as amended.

**10-A – PURCHASE OF SCHOOL VEHICLES** – The long range transportation plan calls for purchasing an additional car and 11 passenger van this summer. We will utilize the 2004 van for transportation for the Center for Teaching and Learning and rotate the 2007 full size van into the T & I department. The current T & I van will be sold. The bids we have received from Krotters and Prairie Hills Ford are included in your packets.

**RECOMMENDED ACTION:**

Motion to purchase an 11 passenger van and a car for the 2015-16 school year.

**10-B – AUTHORIZE SUPERINTENDENT TO APPLY FOR FEDERAL FUNDS FOR THE 2015-16 SCHOOL YEAR** – This is a requirement for accessing federal dollars for our school district. We participate in a number of federal programs including but not limited to: Title I, Title IIA, Title III, 21<sup>st</sup> Century Learning funds, etc.

**RECOMMENDED ACTION:**

Motion to authorize the superintendent to apply for federal funds for the 2015-16 school year.

**10-C – MAPS DATA REVIEW** – I have included MAPS data from 2014-2015. Students in grades 3-10 took this assessment in both the fall and the spring. The information in your packet shows growth compared to national norms. Students in grades 1 and 2 took the MAPS assessment in the spring for the first time. This will give us another data source in addition to DIBELS data with which to examine progress of students in those grades. We will be submitting MAPS data to the state as our required norm referenced assessment.

**RECOMMENDED ACTION:**

No action necessary.

**10-D – BOARD RETREAT** – I would like to schedule a board retreat prior to our July board meeting to discuss board goals and budget. Could we begin at 3:30 that day with a break for dinner at 6:30?

**RECOMMENDED ACTION:**

Motion to schedule a board retreat for July 13th.

**10-E– OPTION ENROLLMENT REQUESTS** – We have three students optioning out this month and four cancelling their option.

**RECOMMENDED ACTION:**

No action necessary.

PROPOSED AGENDA ITEM RATIONALE

TO: Matthew L. Blomstedt, Ph.D.  
Commissioner of Education

FROM: Melody Hobson

**PROPOSED AGENDA ITEM:** Grant the Commissioner the authority to approve awards for new and expansion Early Childhood Education Program grants to the identified public school districts and Educational Service Unit.

**RATIONALE:** Funds for awarding new and expansion Early Childhood Education Program grants are available due to eligible districts' rollover to state aid and additional money appropriated for the grant program.

**Background information -**

Contingent upon the availability of state funds on July 1, grants will be provided to twenty (20) public school districts and one (1) Educational Service Unit to provide collaborative early childhood programs to serve at-risk four-year-old children eligible to attend kindergarten in the following year.

The purpose of the Early Childhood Education Grant Program is to improve equity of access to early childhood education/prekindergarten programs. Children of diverse characteristics will be served in inclusive environments and will be better prepared to enter school and be successful. Early Childhood programs are required to operate in compliance with Rule 11 – Regulations for Early Childhood Education Programs.

Grants are awarded to eight (8) districts in Congressional District #1 and thirteen (13) districts in Congressional District #3.

In communities with a population under 1,000, seven (7) districts are awarded a grant. In communities with a population between 1,000 and 5,000, eight (8) districts are awarded a grant. In communities with a population between 5,000 and 10,000, two (2) districts are awarded a grant. In communities with a population between 10,000 and 25,000, three (3) districts are awarded a grant. In communities with a population over 100,000, one (1) district is awarded a grant.

Approximately 526 children are expected to be served as a result of this funding.

The following public school districts are recommended to receive an Early Childhood Education grant:

Bancroft-Rosalie Public Schools

Superintendent Shane:

I cannot thank you enough for the time and energy you have given over the last year and a half to the process of developing an accountability system for Nebraska schools and districts. I appreciate every piece of literature you read, complicated chart you decoded, and insightful comment you contributed. Through your collaboration with other Nebraska educators, we have proposed an accountability system built by Nebraska educators for Nebraska schools to promote strong academic achievement for Nebraska students. You are always so insightful—and a delight to work with. Thank you many times over.

Sincerely,

Valorie J. Foy, EdD  
Director of Statewide Assessment and Accountability  
Nebraska Department of Education

**Section 500 – Students**  
**Student Attendance**  
**Student Absences - Excused**

**File: 503.03**

Regular attendance by students is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center.

Student absences approved by the principal shall be excused absences. Excused absences other than documented illness shall count as days in attendance for purposes of addressing excessive absenteeism, except for notification of the county attorney in policy 503.04.

Students whose absences are approved shall make up the work missed and receive full credit for the missed school work, within guidelines of the student handbook. It shall be the responsibility of the student to initiate a procedure with the student's teacher to complete the work missed.

A student must be in school 1/2 day the day before an all day contest (such as a track meet), 1/2 day the day of an evening contest, and all day, the day after participation in a scheduled contest. ~~Failure to do so will deny participation in the next scheduled event.~~ Certain exceptions may be allowed as stated in the Activity Handbook.

It shall be the responsibility of the parent to notify the student's attendance center as soon as the parent knows the student will not be attending school on that day. The principal may request evidence or written verification of the student's reason for absence.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.

**SCHOOL ATTENDANCE**

A student must be in school 1/2 day the day before an all day contest (such as a track meet), 1/2 day the day of an evening contest, and all day, the day after participation in a scheduled contest. Exception applies to an excused absence or a predestined excuse. Sponsors should remind students to get to classes on time following a late arrival from an away event.

Nick, we can deliver a car with your specs given to us for \$14700.00

On the Full size passenger van we cannot sell such a unit to public schools due to policy.

Thank you Kevin Peitz

# **Administrative Report for School Board**

**June 15, 2015**

**Nick Hostert, AD**

## **Activities:**

**Golf**—The team finished 6th at the B-3 District competition at Hastings and we return a number of letter winners for 2015-16.

**Track**—The Eagles had 9 athletes who participated in the annual State Track Meet on May 22 & 23 in Omaha. Our athletes competed well and represented the area well as Mikayla Marvin, Walker Liewer, and Grant Johnston brought home medals in the tough Class B field.

**Camps**—Mr. Childers will be taking kids to wrestling camps in June and Mr. Corkle hosted a camp for elementary kids in conjunction with our wrestling event with the kids from Alaska. Mr. Eichelberger & Mr. Kallhoff hosted basketball camps for girls & boys last week, and will be hosting a summer league, sponsoring open gyms and attending team camps this summer. Mrs. Tomjack has volleyball camps set up for elementary through high school students and will sponsor open gyms while Mr. Eichelberger has a football camp set for July. Mr. Grossnicklaus and Mr. Price have our softball team playing in a team camp as well. This will be another busy summer with a lot of quality time put in to help hone skills.

**FCCLA**—Mrs. Mann and 8 students will attend and compete at the National Convention on July 5-9 in Washington DC.

**Hosting Events**—We will host the American Cancer Society's "Relay for Life" on Saturday June 27<sup>th</sup> and we also hosted the Irish Dance review in May .

**Weight Room**—In the first week of summer conditioning we have averaged 40 student athletes in the morning and another 15 for the evening session. Athletes have the opportunity to lift 4 times a week and have individual workouts that include warm-ups, plyo-metric training, explosive core training, core lifts, and individual lifts.

**Physicals**— will be offered at both clinics again this summer but students will need to schedule their own appointments.

**Extra Duty Assignments**—The 2015-16 coaches/sponsors are included in your packet. We are still looking to fill two spots and hope to have them filled soon.

**Calendar**—The 2015-16 activity calendar is being prepared for the printers. We will use Rschool again this school year as this allows everyone, who signs up, the ability to get updates when changes are made to the calendar as well as view the calendar and schedules on-line.

**Admission**—The Mid States Conference admission rates are set at \$5 & \$3. The NSAA now charges \$7 & \$5 for most district events and \$9/\$6 for state competitions. We will also charge \$2 for admission into JV/Freshmen games while JH events remain free of charge.

**Vehicles**—We have bids from Krotter's & Prairie Hills Ford for a car and full sized van. The rest of the fleet appears to be in sound mechanical shape and ready to go for the start of the school year.

Monday June 15, 2015**

Elementary

- 1) The wall around the new lockers is complete. They now match the existing lockers making the hallway look uniform
- 2) The custodial crew is working hard to clean and move the teachers around to conform to the new room assignments.
- 3) A chain link fence is scheduled to go up to meet the legal requirement for having a preschool

'38 Building

- 1) The gym floor has a new finish coat on it. We try to do this every 2<sup>nd</sup> or 3<sup>rd</sup> year.
- 2) We are preparing to move the CTL over for the start of the school year.

High School

- 1) The custodial crew is hard a work cleaning and fixing. The bulk of the work right now is stripping and waxing tile floors
- 2) The re-roof project is scheduled to start July 7<sup>th</sup> weather permitting. We already have had the date pushed back once.
- 3) We had a hose break in Modular 2. We are in the process of cleaning that up and assessing the damage. ServiceMaster out of Norfolk is helping and the insurance adjustor has been out to look at it as well.

## **Summer School:**

- 28 students enrolled in the five days of driver's education. David Stairs is again the instructor this summer. The students have now moved to the driving portion of the class. Each student is required to drive 6 hours behind the wheel.
- There are 18 students who have enrolled in the OHS Credit Recovery (C.R.) Summer School Program. This program offers students the opportunity to recover credits from previous semesters. This program is offered to students in grades 7-12. The program runs 15 days from 9 a.m. to 1 p.m. each day and students are required to attend a minimum of 3 hours each day. Students in the OHS C.R. Summer School Program are again using the APEX online program.
- There are a total of 4 students enrolled in the Migrant Summer School Program funded by ESU 7 in Columbus. Students who attend are classified as migrant and all expenses are covered by a grant through ESU 7.

## **MAPS Testing:**

- MAPS Testing was completed the last week of school. This spring students in grades 7-10 participated in the online MAPS assessment battery and overall it went well. It takes more staff to conduct the online assessments, which is why it was necessary to utilize two days for testing. We look forward to reviewing the data later this summer prior to the start of the school year.

## **7-12 Handbook:**

- This year we are not ordering the traditional planners that include the handbook in the front. I surveyed the students this spring and the majority of students felt that they did not need/use the traditional planners that had been issued in the past. We will continue to link the student handbook on to the school website and will review key points of the handbook at the start of the school year. The signature pages will be a supplement given to students the first day of school and we will collect those forms as we have always done in the past.

## **2015-2016 Class Schedule:**

- Prior to the end of the school year, Mr. Fernau communicated the working class schedule document to the staff. At this time, the class schedule is complete and there are approximately 120 different classes and 30 study halls. Two classes will

again be early bird classes, which begin at 7:15 a.m. (world history and music/drama). Students who continue to have a need to recover credits or take a class outside of the current in-house course offerings will continue to utilize the APEX online system.

**Student Handbook:**

- Revisions to the student handbook are being made this month. We have discussed the changes in the attendance section of the handbook and will present a revised 7-12 student handbook at the July meeting for your review.

**Marzano Summer Academy V:**

- The High School Marzano team will travel to Lincoln for the Marzano Summer Academy V workshop June 10-11. I will have a more detailed report for you at the meeting.

## School Board Report: June, 2015

- Regular Education Summer School is underway and will run Monday through Thursday all four weeks of June from 8:00 am. to 12:00 pm. We have one section running for each grade level K-4 and then a combined 5th and 6th grade class. Attendance numbers will be shared next month. As with previous years, the younger the grade level, the more willing families and students have been to agree to attend. There are a total of 36 students that have attended so far this Summer.
- The summer feeding program is taking place again this summer at O'Neill Elementary. Lunch is offered to all children up to age 18 free of charge from 11:30 am. to 12:30 pm. each day Monday through Friday. A snack is also served from 2:45 pm. to 3:30 pm.
- Summer Developing Eagles is underway. The program started June 1st and is available to all students ranging from those going into Kindergarten through last years 6th Grade students, living in our school district. The program runs Monday through Friday from 8:00 am. to 4:00 pm. Mrs. Olson, the director has another fun summer of activities planned for the students ranging from swimming, to fishing and many other excursions out in the community. Average attendance for the first two weeks of June has been 55 students a day.
- Class schedules have been finalized at the elementary level with specials, lunch times and curricular areas. This was a big undertaking as with our restructuring plan we made adjustments in the Reading times from two rotations in the morning to one in the morning and one in the afternoon. Making these alterations had a ripple effect to specials, lunch times etc. This would not have been accomplished without the help of the elementary staff, Mr. Fernau, Mr. Fisher and Mrs. Grossnicklaus to work together to make adjustments where we had to for this schedule to work. A big thank you to everyone that helped create our schedule.
- Class assignments for next school year were sent out on students' 4th quarter report cards this year. Previously, a student's teacher assignment had been sent in mid to late summer in a separate mailing. I wanted to try this, as it will allow both students and staff to prepare for the coming school year. With the help of Mr. Buller setting things up on the computer and the central office secretarial staff assisting with the labels, Mrs. Larson was able to get all report cards and assignments out smoothly to the families.
- Wednesday June, 10th, and Thursday June, 11th, a 10 member team from both the elementary and high school consisting of four teachers from each building and the

two building principals attended the first session of the 2015-16 Marzano Academy. This team will be the implementation leaders for the district as we work to implement the Marzano framework of instruction. The goal of this process is to have a common language and framework for instructing out students. This team will help principals guide inservice time and be go-to resources for staff as we move through this implementation.

- Planning and preparation for Migrant Summer School is being completed. In partnership with the Migrant Program, we will offer this opportunity from July 6th-24th. Staff has been assigned and students have been contacted. We have 17 students currently signed up for Migrant Summer School.
- Summer building and custodial projects are in full swing. Mr. Brown's department is hard at work. The lockers in the 4th Grade hallway have had the wall finished around them and look great. Mr. Nemec and his custodial team have worked very diligently in cleaning rooms as we move staff to new classrooms for this coming school year. Mr. Whitney and his painting crew have been working hard to stay ahead of the moving as well with their work. The building will look fantastic this fall to welcome back our students.
