

**Section 200 – School Board**  
**School Board Policy Process**  
**Policy Suspension**

**File: 205.05**

It shall be within the discretion or amendment of the board to suspend a policy. Policies of the board may be temporarily amended or suspended by an approval vote of 5 members of the board present at an official meeting of the board if the board determines its necessity. This does not apply to any section of board policies established by law or by contract. Reasons for amendment or suspension of board policy shall be documented in board minutes.
