

Section 800 – Support Services

Transportation

Bus Driver Supervision

File: 801.05

School bus drivers must pass physical examinations and meet other criteria as established by state and federal law and by the Nebraska Department of Education. Bus drivers must have a valid transportation vehicle operator's permit and shall have it in their possession when transporting students. This does not apply to the operator of a small vehicle being used only for extracurricular activities.

The superintendent shall direct the district's contracted provider of transportation services to handle the employment, certification, supervision and monitoring of all pupil transportation vehicle operators and transportation events in accordance with state law and the Nebraska Department of Education.
