

Section 900: Buildings and Sites
Safety Program
Accident Reports

File: 905.06

Accidents will be reported immediately to a supervisor.

Written reports will be submitted within one business day to the building principal on all accidents occurring on district premises, in district vehicles, at a district-sponsored activity or involving staff members who may be elsewhere on district business. Reports will cover property damage as well as personal injury.

All accidents/incidents will be promptly investigated. As a result of the investigation any corrective measures needed will be acted upon.

All accident records will be maintained at the central office.
